1. I saw satan fall from heaven like lightning Ted, and I will see satan fall from the throne of many lives, many people—many men, women, boys and girls. I will see him fall so much more than he has fallen. I will see him dis-enthroned from the seat of authority of My believers in Me. I will see him put down and trampled underfoot by those who understand My authority and decide to walk in My authority and not be deterred by the process of that maturation.

2. Take authority Ted, take it, take it, take it, and take it now, now, now, today, today, every single day, take it, take it and use it and appropriate it and declare and proclamate My truths about My authority—My authority given, given, already given, but walked in so little, so little, almost none—waiting, waiting, waiting.

3. Ted, walk in My authority as you learn to take and walk in My authority and teach it even as you are learning and persevering with tenacious tenacity, tenacity, tenacity of Me, Me, Me, doing what I want to do through you, all that you let Me do, all that you let Me do, all that you are seeking Me for.

4. So many, so many so little, so little, so afraid, so petrified of any battle for which I have armored them already, already, provisioned, if only they would walk in it, appropriate it, speak it, wear it, unashamedly, in brightness, in glory, in humility and meekness.

5. Would I place My creation here, My beloved, My bride, who I love, here without the armor to sustain them and win every battle, battle after battle? No, no, I wouldn't. I didn't.

6. Now tell, teach, proclaim, write about My authority and what you are learning and **be not afraid to err, be not afraid to ruffle a few feathers** or rile someone who has degrees and says they know Me and what my every word says. I come, I call, and I speak to My listening, and many are the rewards of the righteous, many are the rewards of the tenacious, many are the rewards of My beloved who will wear My name.

7. Many are the rewards of those who will take My authority given, and shrink not from battle or facing mammon head-on, head-on, head-on. Take, take it, take it, and do battle, do battle, make the knee of mammon bow, bow, bow before you, as he bows before Me, Me, Me in you.

8. Sweat not the stakes, for I am the reward, intimacy ever increasing is the reward, intimacy increasing Ted, and there's so much more to Me than you even know. You want Me so, you want Me so, you've pursued Me, and now, even as you pursue Me, I pursue you, to walk and talk and **pursue Me in all the authority I have given**, and

awaiting for the tenacious, the bold, the radical, the believing, the I'll-step-out-in-You, **going far beyond the small confines of boundaried teaching fields that you've encountered.**

9. I am more, I am more, I am more. See Me as More, More, More, Limitless, Abounding, Never-Sorrowful-For-What-I-Have-Provisioned-You.

10. Walk forth, be trained, train, teach, preach, teach to teach and preach to preach, teach to preach and meek-able graduate, graduate, graduate, crown, crown, crown for Me. Let them wear My name on their foreheads unashamedly and be radically bold for Me in intense fervor, meekness and skill, skill, skill—more skill, more skill.

11. Now go and grow and grow them all, all that will come and grow and open be to My authority and what I am doing in the earth today, today, now, and increasing dramatically in the next few months.

12. Finish your book, I am with you—title right, words right, write, write, take authority.

13. All comes Ted, all My promises are true.

14. Readers/hearers of My words today, I love you, I love you, I love you, I love you so deeply, so deeply, so desirously, waiting, tenderly I am, awaiting you, more. Can you give Me more of your time? Can I have more of you, can I have more of you please? Will you give time with me more. I want you, I want you, I want to reveal Myself to you so much more, and intimate be, and reveal treasures of Truth unlimited, to the focused, the tenacious in Me.

15. Come, I await.
Come, I call you, you, you.
Come, please, more.

16. Take authority, leadership lead, bold be, forthright, forceful, in My meekness.

17. Lead, go forth, lead.

18. I thank you.
Write.
I thank you.

Take authority
Take authority
Take authority.

19. Ted, for Me.
Thank you.
Thank you
Thank you.
